HELPFUL TIPS for your first visit - We are aware that visiting a new church can be overwhelming. Hope Church strives to create an atmosphere that is comfortable for everyone from the moment of their arrival. When you arrive at our parking lot, we want you to feel at home. At the doors you will see friendly faces and signs pointing you in the right direction. We have a 'Connections Center' that can answer any questions that you have.

Come as You Are! There is no dress code; we have no perfect people. Dress casually. Most people do. You'll find a wide range of styles at Hope from, jeans to ties. What you wear is not important. You won't be judged by your style of clothing. Instead, you'll be welcomed because you decided to come!

You will find married couples, singles, young people, older people, single moms, single dads, professional folks and laborers. Hundreds of people come to Hope every weekend. Each person has a unique life story, just like you do. Wherever you are on your spiritual journey, you're welcome to walk your next steps at Hope.

□

Our worship style is primarily contemporary in nature, and we sing some hymns from time to time. We want to engage people in a worship experience that is uplifting, passionate, and meaningful. Pastor Jim and the worship band will invite you to participate in songs that are dynamic, fresh, and glorify God.
